How many Faith Friends enjoy a game of Cribbage? There is a website which allows you to play either with a robot OR with friends! Go to [www.cardgames.io/cribbage](http://www.cardgames.io/cribbage) and check it out! Once you have created your "profile" (easy to do - there is a step-by-step procedure) you can choose to play with the robot OR click on "multiplayers". Multiplayers will show you who is online to play with. Want to try this out? Why not go to this site on Monday mornings - 11am - and see how many of our Faith Friends are also looking to play? We'll start on Monday, February 15 - see you online!!!
